Pricing for windshield repairs. Fleet Rate of \$39.95 for each windshield fixed, whether it has one chip or 5 or a crack.

We also do a periodic "free" preventive maintenance survey, where we come by and check your windshields for you.

We are a mobile service and come to you.

Replacement for a window or windshield will vary based on the type of vehicle. Labor rate is flat \$75.00 per window or windshield replacement. Parts are 30% over cost.

We use a urethane that cures in 1 hour regardless of the temperature.

Thank you for your service to our community and we look forward to continuing our service to you.
