SHOT ROCK	Visual inspection by PCR D	\$ <u>7.20</u> /TON
DRAINAGE ROCK	Visual Inspection by PCR D	\$ <u> </u> /TON

Conditions:

Materials not meeting the above specifications will be rejected. Testing maybe required at Pettis County's discretion as often as once every 1,000 tons per day in accordance to procedures set forth in MoDOT 1999 Standards and Specifications at the supplier's expense. Results shall be submitted to the Pettis County Road Department by 7:00 AM the following business day.
