

ALUMINUM BOX CULVERTS

March 1st, 2019

Item:

The aluminum box culvert bids prices will be attached to this form. Bids will include pricing for structural numbers one (1) thru one hundred forty three (143), 30' long, furnished with a full invert, upstream toe walls, and manufactured headwalls. All material will be bid as delivered to the Pettis County Road & Bridge Department.

Specifications:

The aluminum box culvert bid shall consist of plates, ribs, and appurtenant items as required and shall conform to the requirements of ASTM A 307 or ASTM A 449 and shall be galvanized in accordance with ASTM A 153.

Conditions:

All material will be bid as delivered to the Pettis County Road & Bridge Department. The successful bidder will be required to furnish consultant recommendations to assemble selected box culvert. Pettis County Road & Bridge Department will assemble and install the aluminum box culvert.

108	135,900.00	126	152,800.00		

NOTE: Mill rolling dates are subject to changes and delays due to mill conditions. Viebrock Sales & Service, LLC accepts no liability or responsibility for delivery delays due to mill conditions or any other circumstances that we have no control over. We will however make every attempt to notify customers of any delays that may affect delivery of material orders.

NOTE: Prices are subject to mill escalation. Any fluctuation in price from the mill will be passed along at cost (increase or decrease). This quotation is valid from March 1, 2019 thru March 1, 2020, providing there has been no changes in pricing at the mill.

NOTE: Please direct all inquiries regarding this quote to Charlie Thomas.

NOTE: At County's request a representative of Contech or Viebrock Sales & Service, LLC will be on jobsite to help with erection and installation.

TERMS: Net 30 days from date of invoice.

DELIVERY: F.O.B. County Yard of Jobsite.

Thank you for the opportunity to bid on your aluminum box culvert needs.

Respectfully Submitted,
VIEBROCK SALES & SERVICE, LLC

Charles Thomas, Sales Manager
